FOR IMMEDIATE RELEASE

Harvest Capital Credit Corporation to Merge into Portman Ridge Finance Corporation

**Combined Entity Will be Managed by an Affiliate of BC Partners Advisors L.P.;
Companies to Host Conference Call at 8:30 AM ET on December 24, 2020 to Discuss**

NEW YORK, December 23, 2020 – Harvest Capital Credit Corporation (NASDAQ: HCAP) (“HCAP”) and Portman Ridge Finance Corporation (NASDAQ: PTMN) (the “Company” or “PTMN”) announced today that they have entered into a definitive agreement under which HCAP will merge with and into PTMN, a business development company managed by Sierra Crest Investment Management LLC (“Sierra Crest”), an affiliate of BC Partners Advisors L.P. (“BC Partners”).

The transaction has been approved by a unanimous vote of Special Committee of the Board of Directors of HCAP, the Board of Directors of HCAP (other than directors affiliated with HCAP’s external investment adviser who abstained from voting) and the Board of Directors of PTMN. In addition, the Board of Directors of HCAP will recommend that HCAP stockholders vote in favor of adoption and approval of the definitive merger agreement, subject to certain closing conditions.

Transaction Highlights

- The combined company will be externally managed by Sierra Crest and is expected to have total assets of approximately \$757 million, and a net asset value of approximately \$248 million (each based on September 30, 2020 balance sheets, adjusted for estimated transaction expenses and PTMN’s recent merger with Garrison Capital Inc.);
- Stockholders should expect to realize net investment income per share accretion following the closing of the transaction;
- The transaction is expected to deliver operational synergies for the combined company as a result of the pro forma larger scale and elimination of redundant HCAP expenses;
- Certain significant stockholders of HCAP have entered into voting support agreements with PTMN and agreed to vote their HCAP shares in favor of the transaction, which shares represent in aggregate approximately 31.6% of HCAP’s shares outstanding as of December 22, 2020; and
- Following the transaction, current HCAP stockholders are expected to own approximately 16.6% of the combined company.

In connection with the transaction, HCAP stockholders will receive aggregate consideration equal to HCAP’s net asset value at closing. This consideration will be funded using PTMN shares (valued at 100% of PTMN’s net asset value per share at the time of closing of the transaction) and, to the extent the required number of PTMN shares exceeds 19.9% of

the issued and outstanding shares of PTMN common stock immediately prior to the transaction closing, cash consideration in the amount of such excess. As described below, HCAP stockholders will have an opportunity, subject to certain limitations, to elect to receive either cash or PTMN shares in consideration for their HCAP shares. Additionally, all HCAP stockholders will receive an additional cash payment from Sierra Crest of \$2.15 million in the aggregate, or approximately \$0.36 per share.

Assuming a transaction based on respective September 30, 2020 net asset values for HCAP and PTMN, adjusted for expected transaction expenses and PTMN's recent merger with Garrison Capital Inc., the merger transaction (including the Sierra Crest additional cash payment) currently values HCAP shares at approximately \$10.11 per share which represents 104% of HCAP's September 30, 2020 net asset value (net of transaction expenses). Using PTMN's closing price of \$1.80 on December 22, 2020, the merger transaction (including the Sierra Crest additional cash payment) currently values HCAP shares at approximately \$7.71 per share, which represents 79% of HCAP's September 30, 2020 net asset value (net of estimated transaction expenses) and a 30% premium to HCAP's closing price on December 22, 2020.

If the aggregate merger consideration is to be paid in cash as well as PTMN stock because of the 19.9% stock issuance limitation described above, HCAP common stockholders will have the ability to elect to receive consideration in the form of cash or stock, with the exchange ratio for the total consideration to be paid by PTMN in the merger being determined by the net asset value of HCAP and PTMN as of the closing, calculated as of 5:00 p.m. New York City time two days prior to the closing of the transaction. While each HCAP stockholder will receive the same per share consideration, stockholders receiving PTMN shares will receive a number of PTMN shares equal to the HCAP net asset value per share as of 5:00 p.m. New York City time two days prior to the closing of the transaction divided by the volume-weighted average price of PTMN stock for the 10-trading day period ending two days prior to the date of the closing. HCAP common stockholders may receive consideration from PTMN that includes both cash and stock, depending on their election and the elections of other stockholders. HCAP stockholders who do not make a stock or cash election will be deemed to have elected to receive stock in connection with the merger.

In addition to approval by HCAP stockholders, the closing of the merger is subject to customary conditions. The parties currently expect the transaction to be completed in the second calendar quarter of 2021.

Management Commentary

Ted Goldthorpe, President and Chief Executive Officer of PTMN and Head of BC Partners Credit, stated, "We continue to execute on our strategy of targeting consolidation opportunities that become earnings accretive for shareholders of both PTMN and the acquired company. We have been proactive in identifying specific opportunities where our Company can benefit from greater scale and immediate cost synergies. In past transactions we have successfully benefitted from achieving greater scale, which allows PTMN to both increase position sizes while simultaneously reducing the impact of public company reporting and other expenses. We believe the combined company will benefit from having lower financing costs, a lower blended fee structure, a reduction in public company costs per share and an increased trading liquidity in the equity."

Joseph Jolson, Chairman and CEO of HCAP, stated, "We believe the combination with PTMN represents a favorable outcome for HCAP investors. As HCAP's largest non-institutional shareholder, I have agreed to take stock in the merger and to lockup my PTMN position for 90 days post-closing to facilitate greater liquidity for HCAP shareholders who receive shares in the merger. The transaction is expected to be accretive to net investment income of the combined company due to material cost savings, lower investment management fees, and reduced borrowing costs on HCAP's contributed assets. Finally, HCAP shareholders who receive PTMN shares in the merger can expect to receive regular cash dividends from PTMN on a go-forward basis."

Transaction Advisors

Keefe, Bruyette & Woods acted as financial advisor to HCAP's Special Committee. Dechert LLP served as counsel to HCAP and HCAP's Special Committee and Simpson Thacher & Bartlett LLP served as counsel to PTMN.
